Dear Malcolm:

Larry has returned to the fold without mishap after a most interesting trip which I am sure has benefited him as well as our field stations and our reciprocal arrangements with you.

I certainly appreciate your looking into the implementation of agreements made by the Colonial Government of Cyprus and General Sibert when you were there together, and I am perfectly satisfied that these agreements have been lived up to in all respects. At an appropriate time and through the proper channels I do want to pursue the question of taxes, etc., further. It all seems a very slow process, but I am sure that it will eventually work out to our mutual satisfaction.

I am indeed pleased that you like the new station and feel sure that it will come up to our fullest expectations. I am very anxious to see this station myself and certainly wish I could join you and General Jacob there the end of next month. However, it still appears that I will be unable to do so. I will advise you definitely of my plans for this trip before the end of this month.

The Cyprus lace you sent for Sue is beautiful, and she was thrilled. Thanks so much for your thoughtfulness.

Sincerely,

L. K. White
